## **Why is David Larsen distorting Leonard Lance's record?**

**To hide the truth about the  
fact that he failed to pay his  
taxes 23 times.**

David Larsen failed to pay his property taxes 23 times.  
**That's \$30,800 in unpaid taxes.**

**Larsen uses a tax loophole - he raises horses - to reduce his taxes - and then doesn't pay them!**

**David Larsen:  
A hypocritical tax-dodging  
politician we cannot afford.**

Since 2002, tax records show David Larsen has repeatedly failed to pay his property taxes. In fact, Larsen owed more than \$30,800 in delinquent property taxes. (Source: Tax Collector's Report, Tewksbury Township, April 19, 2010, Page 2)

**It's true. And it gets even worse.**

During those same years, Larsen received thousands of dollars in tax subsidies for owning horses. But even after getting his taxes cut, Larsen refused to pay his property tax bill.

David Larsen put buying horses ahead of paying his taxes.

**It's an outrage.**

Larsen: throws mud at his opponent, spends money on campaign ads and horses, works the system to pay less in taxes and then doesn't pay his taxes - 23 times!
